"Souper" Bowl Sunday set for February 7th

Once again on Super Bowl Sunday our youth will be collecting money for the Oregon Food Bank. Look for the big metal soup kettles as you exit the sanctuary and drop in some spare change. One coin at a time we hope to help feed the hungry in our community.

Thanks from High School UGH

For the last year and a half, the high schoolers have had the great privilege of starting our weekly meetings with dinner, provided by the elders and/or youth families. We are so grateful to all of you who have provided these delicious, warm meals and given us the chance to start our evenings with fellowship around the table. Thank you for your generosity and kindness and most of all, thank you for being with us!

We appreciate the many ways in which you, our Valley family, are with us. From your enthusiasm for our varied activities, to your participation in our mission preparation, your willingness to join us in Night Strike, and your support of our goals and visions for the future, we are thankful and blessed. We pray that we are also a rich blessing to you.

In February, we will continue our focus on God's amazing love for us and the people of our world, specifically discussing what it means to be bold, free, courageous, and tender-hearted, within that great love. We look forward to joining the community in gathering and organizing relief supplies for Haiti. We also will join with others from Portland in Night Strike at the end of the month, and will begin the exciting training for our summer mission trip. Check the calendar for further details. Looking forward to a great month together.
