High School Ministry

I cannot believe the end of the school year is upon us and that summer is right around the corner! We look forward to celebrating our seniors this month and to communicating their importance to us. As we have grown, changed, and learned over the past nine months, each of our graduates has broadened and deepened our group life together, playing an integral part in the life of our Valley youth ministry. They have truly been a gift from God and we are thankful for them!

Our mission team continues to gain knowledge, insight, and wisdom as we prepare for our mission trip to Harambee Ministries, June 27-July 3. We will be serving the people of NW Pasadena, CA, supporting the full-time Harambee staff in their community development and reaching out to the children of the neighborhood, through sports, crafts, music and drama.

Thank you to the many people who joined us for the Spring Pancake Breakfast! Your involvement both helped to support our mission team and contributed to a fun and energy-packed intergenerational event! A special thank you goes out to the Clippers and Sandy Cundiff for their help and partnership.

A New Season is Dawning...

Along with the congregation, the youth look forward to worship on Sunday, June 6, during which our new pastoral candidate will be preaching. God has great things in store for our future!
